We encourage reservations any day or night, by calling the store, to be sure our customers won't have to wait for a table.

Regarding parking, parking is now easier than ever. We have worked together with Liz Swaine with the Downtown Shreveport Development Authority and our neighbor FUMC to rent the closest parking lot to PT. The FUMC lot on the corner of Texas and Common on the same side of the street as PT. PT customers can now use this lot during business hours in addition to street parking. Customers must bring in their parking ticket to be validated at check-out. Also, PT has a parking spot reserved for curbside pick-up orders on the street directly in front of the restaurant. Restaurant hours are from 11-7:30 Tuesday – Thursday and 11-8 Friday & Saturday.

Oh, and last but not least, back by popular demand, we are bringing back many of the old menu items, with customer favorites such as the Tijuana Ceasar, Brisket Crunch Quesadilla, Chicken Tinga Quesadilla, Tezmania Quesadilla, Parish Punch Cocktail, the Spicy Shrimp Taco in addition to all of the other customer favorites including our personal favorite - the Korean Kick Salad, the Korean Beef taco and the Crispy Louisiana Catfish taco. We also have a few new Parish twists added to the menu, both for food and cocktails – come see for yourself!

Also, we appreciate your thoughts, ideas and concerns and we ask that you share your thoughts with our servers and/or we'll soon update the website allowing customer comments to be submitted directly to management. We look forward to serving you and together we can begin to bring some energy and excitement back to downtown Shreveport. Of course, we will continue to follow all safety precautions necessary and required to provide a clean and safe environment.
